National Estuary Program

CLALLAM COUNTY STORMWATER MANAGEMENT PLAN, REGULATIONS, AND OUTREACH

[This project improves water quality in Clallam County by updating its comprehensive stormwater management strategy and regulations. The strategy will be fiscally and politically sustainable and will include a stormwater management plan, stormwater regulations, staff and engineer training, as well as, citizen outreach.]

What we're doing

Overall Tasks:

- Recruit local/state stakeholders for a Work Group to provide input for a stormwater (SW) strategy, considering climate change and latest Ecology SW Manual
- Hire a consultant with SW engineering, code, planning, policy, and outreach skills
- Update draft Clallam County (CC)-wide SW Management Plan (SWMP) & Program and Small Project Drainage Manual for Residential Housing (SPDM)
- Generate SW ordinances: clearing & grading, illicit discharge, residential/commercial/industrial development for urban and rural areas
- Hold public outreach, meetings/hearings to vet SW documents and receive input
- Prepare & conduct staff/industry training on CC SW strategy, SWMP and Manual, SPDM, and changes to regulations
- Implement adopted SW strategy, SWMP, Ecology Manual, SPDM, and regulations
- Monitor success by tracking SW flooding and number of new/re-development using LID and adopting SW regulations, SWMP/Manual, and SPDM.

WHAT YOU CAN DO

You can:

- Volunteer for our Stormwater Work Group
- Participate in our public stormwater workshops to learn about the importance of stormwater management.
- Attend Planning Commission and Board of Commissioner meetings/hearings to provide input on the updated stormwater management plans and stormwater regulations.

ABOUT US

*The Clallam County Department of Community Development is responsible for **comprehensive planning, zoning, and processing of development and building permits.***

Our mission is to promote public safety, a healthy environment, and a strong local economy, and to provide courteous, timely, and efficient service to the public.
